Master of Business Administration in

Global Business Management

USIU-Africa is accredited
in Kenya by the Commission
for University Education (CUE) &
the United States of America by
WASC Senior College and University
Commission respectively.

PROGRAM DESCRIPTION

The world needs broad-minded leaders to seize opportunities and lead change in times of escalating complexity. The MBA (Global Business Management) program is a rigorous one year course of study that focuses on globalization, entrepreneurship and applicability. It has been designed for ambitious, dynamic executives willing to learn from and with their peers, and receive an MBA education that will propel them to the next level in their professional and academic careers. The small class sizes that our MBA program is famous for, provide students with the intellectual activity that foster collaboration and discussion around current global strategic management thinking, and lead to strong professional networks that contribute not only to personal development, but also to the future of their own organizations.

LEARNING OUTCOMES

Upon completion of the Master of Business Administration - Global Business Management program, students will be able to:

1. Analyze and interpret financial information for decision making.
2. Formulate, implement and evaluate firm strategies.
3. Evaluate entrepreneurial opportunities and develop strategies in a dynamic environment.
4. Exhibit leadership and ethical behavior in a diverse environment.
5. Conduct research in the field of specialization.
6. Embrace global practices.
